

Kennedy and Oswald: The Big Picture (Paperback)

By Judyth Vary Baker, Edward Schwartz

Trine Day, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book. Unraveling the many strands of hidden history behind the assassination of President Kennedy is not an easy task. Co-authors Baker and Schwartz guide us toward the conclusion that ultimately, the motivation was total governmental control, a coup d tat, changing us from a democratic republic to a oligopoly - a corporatocracy. With help from new witnesses regarding the Crime of the Century, we are led to the realization that the War of Terror and the Patriot Act were predesigned to undermine our US Constitution and our Bill of Rights. The very moment Kennedy died our own government turned against We the People. Baker and Schwartz provide a compelling narrative showing Oswald s innocence and a condemnation of the conspirators who planned and carried out the assassination of our 35th president and our Republic.
