Not illustrated. 1884 Excerpt: .circles, frequently seen, felt, and heard spirits temporarily materialised--the medium at the same time being visible and bearing no resemblance thereto either in features, expression, or size. These materialised forms were likewise visible to the others present. On one occasion a spirit stood out between the medium and the sitters, gave his name, and recounted some of both his earthly and his spiritual experiences in a voice bearing no resemblance to that of the medium or any one present in the flesh. I have, in broad daylight, under test-conditions, seen a hand materialised only so far as the wrist and smaller than that of any one present, move in the air without any visible support; have grasped it, felt it soft and warm, and as I held it in my hand it dematerialised. It was also distinctly seen by two of the members of my family who were present. I have seen a slate-pencil influenced to write legibly by an invisible agency. I have witnessed tables and chairs moved and levitated without contact, and I have held a conversation with an invisible intelligence, through raps on a table in my own house, when no one was present in the flesh except myself. I may further state that the hands of two of my children were influenced to write distinctly before they knew their alphabet; and three of the members of my family have written in languages and on subjects with which they were totally unacquainted. Such...
