MacClintock, Seasoned by Salt is the fascinating account of a one-year cruise, from Connecticut to Grenada and back, undertaken by a sailing couple. The book alternates throughout between their two complementary voices as they relive their journey. They are not your average tourists. Their story is brimming with humor and high adventure, and reflects a deep understanding of the history, people, and economy of the many islands that they visited. It is a single of my personal favorite publication. It usually fails to charge an excessive amount of. Once you begin to read the book, it is extremely difficult to leave it before concluding.
