As the Zandian Master of Arms, he has a war to plan and new troops to train. He can't be tempted by the breathtaking human slave, who, according to Prince Zander, grows aroused by punishment. Yet he can't allow another male to bring her to heel either. Not his Leora. In all her lifetime as a slave, Leora might have submitted in body, but never in mind. But the prince has given her to the huge, scarred warrior, Seke, for punishment and she finds he has unexpected ways of bending her to his will. Ways that leave her trembling and half-mad with desire.
