And, as Colin Beavan, activist and author of No Impact Man, proclaims, more exciting. In this breakthrough book, Beavan extends a hand to those seeking more meaning and joy in life even as they engage in addressing our various world crises. How to Be Alive nudges the unfulfilled toward creating their own version of the Good Life-a life where feeling good and doing good intersect. He urges readers to reexamine the standard life approaches to pretty much everything and to experiment with life choices...

Reviews

Without doubt, this is actually the best job by any publisher. It is written in basic phrases instead of difficult to understand. You will like the way the author publishes this publication.
