Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Can an up-and-coming prosecutor convict a killer for a murder that happened fourteen years ago? When a drug dealer reaches out to assistant district attorney Jessica Black with information about a case that has gone unsolved for over a decade-the brutal murder of a little boy-Jessie sees an opportunity to bring long-delayed justice to the murdered child's family. But convicting the boy's killer won't be easy. Much of the evidence is old or lost, the detective who originally investigated the crime seems to have secrets of his own, and someone is willing to kill to ensure that what happened fourteen years ago remains an unsolved mystery forever. Jessie's not the type to give up easily, though. Especially when she's seeking justice for a child and his family. Grave Testimony is a lightning-paced legal thriller delivering all the great characters, unpredictable twists, and intelligent courtroom action you love from Larry A. Winters. If you're a newcomer to the series, Grave Testimony is a powerful introduction to Jessie and her world. If you're already a fan, you're going to love this exciting look at a period before the other books. Buy Grave Testimony and start reading today.
