Random House USA Inc, United States, 2000. Paperback. Condition: New. Reprint. Language: English . Brand New Book. The only biography ever authorized by a sitting President--yet written with complete interpretive freedom--Dutch is as revolutionary in method as it is formidable in scholarship. Thirteen years of exhaustive research in the archives of Washington and Hollywood, and thousands of hours of interviews with the President and his family, friends, allies, and enemies, equipped Morris with an unmatched knowledge of one of the twentieth century s greatest leaders. This monumental work offers the most insightful and elegant portrait to date of Ronald Reagan: the young Dutch, the middle-aged Cold Warrior, and the septuagenarian Chief Executive. Written with imagination, yet always anchored by the weight of research and fact, Dutch stands as both a landmark in the form of biography and an unparalleled historical account of the rise and rule of Ronald Reagan.
