What she gets instead is a war, as the battered Triads that keep Dreg City safe find themselves under attack by half-Blood vampires who have somehow retained their reason, making them twice as lethal. Worse, the Halfies are joined by a breed of were-creature long believed extinct back and more dangerous than ever. Meanwhile, Evy s attempts at reconciliation with the man she loves take a hit after Wyatt is viciously assaulted an attack traced to Thackery, who has not given up his quest to exterminate all vampires . . . even if he has to destroy Dreg City to do it. With Wyatt s time running out, another threat emerges from the shadows and a staggering betrayal shatters the fragile alliance between the Triads, vampires, and shapeshifters, turning Evy s world upside down forever.

The publication is simple in go through preferable to fully grasp. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.
