

## Bad Boys, Bad Men: Confronting Antisocial Personality Disorder (Hardback)

Filesize: 5.83 MB

### **Reviews**

*Completely essential read publication. It is really basic but excitement in the fifty percent of the book. You will not really feel monotony at anytime of your respective time (that's what catalogues are for about in the event you ask me).  
(Lexie Paucek PhD)*

## BAD BOYS, BAD MEN: CONFRONTING ANTISOCIAL PERSONALITY DISORDER (HARDBACK)

Oxford University Press Inc, United States, 1999. Hardback. Book Condition: New. 230 x 154 mm. Language: English . Brand New Book. Whether called black sheep, sociopaths, felons, conmen, or misfits, some men break all the rules. They shirk everyday responsibilities, abuse drugs and alcohol, take up criminal careers, and lash out at family members. In the worst cases, they commit rape, murder, and other acts of extreme violence as though they lack a conscience. What makes these men - men we all know, whether as faces from crime reports or as people close to us - behave the way they do? Bad Boys, Bad Men examines the mysterious mental condition that underlies this lifelong penchant for bad behaviour. Psychiatrist and researcher Donald W. Black, M.D., draws on case studies, scientific data, and current events to explore antisocial behaviour and to chart the history, nature, and treatment of a misunderstood disorder that effects up to seven million Americans. Black shows that the condition psychiatrists call antisocial personality disorder, or ASP, is not a myth but a very real problem that causes more pain to individuals and society than many commonly recognized psychiatric illnesses. New evidence from genetics and neuroscience supports the long-held notion that extreme cases of antisocial behaviour are tied to biologic causes and that some people are simply born bad. Bad Boys, Bad Men summarizes recent advances in genetics, brain imaging and psychophysilogic research that shed light on ASP. The disorder s impact spans every society and is linked to a host of social problems, including crime, domestic violence, drug abuse, and neglected children. Black argues that any attempt to counter these problems requires confronting ASP and that some of today s high-profile crimincal cases may be rooted in this perplexing disorder. In Bad Boys, Bad Men Black describes...
