Dark Ride Publishing, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. What we have here is a very high-quality junkie novel that happens to be about a unique case of vampirism. -Evan Clark, author of Movers WHEN WORN-OUT MUSICIAN DAN FERRY decides to take a shortcut back to the band s hotel, he picks the wrong dark alley to go down. Within days of being attacked by a bat-like creature, he becomes consumed with the need to drink human blood. Terrified of what will happen if he doesn t get his fix--and terrified of what he ll do to get it--he turns to his best friend and bandmate, Ray Ford, for help. But what the two don t know as they try to keep Dan s situation quiet is that the parasite driving Dan s addiction has the potential to wipe out humankind. Poignant and terrifying, heartfelt and ingenious, Suckers is a story of sacrifice and friendship in the face of an alien contagion that threatens to destroy humanity. *** Paperback includes free download of the ebook. *** Suckers manages to create an almost perfect balance between the tragic, real life, and the modern macabre. One of the most realistic and original novels I have read this year. - A Slice of Horror Easy to immerse into and entirely engrossing. - 100 ROCK Magazine Mixing recent apocalyptic and zombie stories with classic vampire legends, Rider has come up with a daring and eminently readable new take on both. - Publisher s Weekly The author plays with our expectations of vampiric tales and makes this something totally new. - The Books of Blood.
