

A Passion for China: A Little Book About the Objects We Eat from, Live with and Love (Hardback)

By Molly Hatch

September Publishing, United Kingdom, 2017. Hardback. Condition: New. Language: English . Brand New Book. A Passion for China is a personal celebration of the everyday beauty of tableware. Acclaimed ceramicist, artist and designer Molly Hatch explores the family stories behind beloved items; the bowls and cups we have inherited or chosen with love and care. Molly Hatch also brings the history of porcelain, potteries and patterns to life through her stunning, hand-drawn illustrations. As we move through our daily lives, eating breakfast, sipping an afternoon cup of tea or gathering for a family dinner, the patterned ceramic objects we live with are precious witnesses to our stories. We eat from them, they warm our hands after a cold walk outdoors and we pull them out to celebrate the births, marriages and lives of our loved ones. A tribute to the rich heritage of the vintage plates, jugs and pots that make our homes our own.
