Liturgical Press, United States, 2006. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Robert Karris spreads before us a unique and delightful framing of the food theme in the Gospel of Luke. Karris describes the food and drink popular in Jesus day. He also documents the social, political, and general contexts in which the food was prepared and eaten. He outlines the social roles Jesus assumes in Luke s Gospel in relation to food and meals, as well as the relationship between women and food. Karris also examines the eucharistic implications of the way food and drink are portrayed. This volume invites readers to get actively involved in the process of discovery by checking Scripture references alongside the author. Food themes in the other three Gospels are also briefly compared with Luke s Gospel. Questions to stimulate an appetite for discussion or reflection and suggestions for further reading are provided at the end of each chapter. Robert J. Karris, OFM, ThD, is head of research at the Franciscan Institute at St. Bonaventure University in St. Bonaventure, New York. He has published more than fifteen books, including Liturgical Press titles Jesus and the Marginalized in John s Gospel, Symphony of New Testament Hymns, and Commentary on Galatians and Romans.
