WHITE COLLAR WITCH HUNT - THE CATHOLIC PRIESTHOOD UNDER SIEGE (PAPERBACK)

The Morning Star of Our Lord Inc, United States, 2002. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Amidst a sweltering climate of derision toward the institution of the Holy Priesthood, a mystical voice of authority has refocused everyone's vision away from the boiling and brawling hellbroth of vengeance and retribution being swirled and stirred by this nation's secular media elite. A tribute to twenty centuries of unimpeachable virtue, a super-majority of purity, and the breathtaking heroic service that Roman Catholic priests have delivered to our contemporary world has been brought to bear upon the profiteering image-makers of our culture and their obvious anti-Catholic agendas. This magnanimous work trumpets the unreported, yet undeniable, Truth regarding the sacrificial lives of Heaven's finest robed stewards as they collectively weather the remarkable assault upon their sacred honor and the sacrificial integrity of their venerable vocation. William Roth has gracefully unveiled the higher wisdom dispensed through the miraculous intercession of the Most Blessed Virgin Mary with this passionately written treatise which rebalances the scales of honest enlightenment and widens the horizons of our grander vision, reminding everyone that the chosen recipients of the Sacrament of Holy Orders are supported and carried by a two millennium legacy of having never failed to deliver righteous counsel, resilient principle, or angelic purity to any era of humankind. While our contemporary world is floundering in the consequences of our hypersexual culture, any person who surveys the Catholic Priesthood from the purview of this work will realize that the passing and personal aberrations of a few sinful individuals will ultimately command no more than a footnote in history; a postscript which itself will be lost in the ages of their sacramental purity.
