Reviews

Here is the very best book i have study until now. It is rally fascinating throgh looking at period of time. It is extremely difficult to leave it before concluding, once you begin to read the book.
(Dr. Blaze Runolfsson IV)

MAGGIE BEAN IN LOVE (PAPERBACK)

Aladdin Paperbacks, United States, 2010. Paperback. Condition: New. Language: English . Brand New Book. At the start of 8th grade, Maggie Bean is really, truly, 100 happy. She's successfully maintained her weight, moved into a beautiful house her family actually owns, and -- best of all -- fallen in love. That's right--love. The real kind, with actual dates, hand holding, laughing and wishing every perfect moment would never end. Maggie wants nothing more than to bask in the joy of having a boyfriend, being a girlfriend and enjoying eighth grade. But eighth grade is serious -- it's one year closer to high school, college and the rest of her life, and Maggie has a lot to do: academic clubs, the swim team, the Patrol This weight-loss club. On top of that, she is striving to be the best friend, daughter, and sister she can be (not to mention girlfriend). Balancing everything requires a lot of careful planning and organizing--and, this time, Maggie's Master Mult-Tasker might not be enough. Can she handle the pressure? Can she be everything to everybody--including herself? And will her new relationship survive while she's figuring it all out?.
