Atlas of the Human Body

By T. Takahashi

HarperCollins Publishers Inc. Paperback. Book Condition: new. BRAND NEW, Atlas of the Human Body, T. Takahashi, The Atlas of the Human Body gives clear and thorough explanations of each of the major organs and systems of the human body. Covering everything from the rhythm of the heartbeat and cardiac cycle, the urinary and reproductive organs, and the oral cavity and teeth to the blood vessels, joints, and bones, this atlas helps you understand the interior workings of the entire human anatomy. As thorough as a world atlas, this book enables you to pinpoint the precise location of your ailments and provides you with general information about each body part. Within each section, common illnesses for each part of the body are identified. Giving the most up-to-date facts on every aspect of the human anatomy, the Atlas of the Human Body meets the needs of the medical practitioner and layperson, students from elementary school to medical school, and families for use as a home medical reference.

Reviews

If you need to adding benefit, a must buy book. I am quite late in start reading this one, but better then never. I am happy to inform you that this is the best book i have read through during my own lifestyle and can be he best publication for at any time.

-- Mrs. Phoebe Schimmel

This ebook is indeed gripping and fascinating. It is definitely simplistic but excitement from the 50 % of your book. You wont sense monotony at at any time of your own time (that's what catalogs are for relating to should you check with me).
