Penguin Putnam Inc, United States, 2009. Paperback. Condition: New. Reprint. Language: English . Brand New Book. Stone Barrington is hired to protect a former intelligence agent with amnesia--and secrets worth killing for--in this heart-stopping thriller in the #1 New York Times bestselling series. Barton Cabot's intelligence career is even more top secret than that of his brother, CIA boss Lance Cabot. But following a random act of violence, Barton is suffering from amnesia--a dangerous thing in a man whose memory is chock full of state secrets. So Lance hires Stone Barrington to watch his brother's back. Stone soon discovers that his charge is a spy with a rather unusual hobby: building and restoring furniture. The genteel world of antiques and coin dealers seems a far cry from Stone's usual underworld. But Barton is a man with a past, and one event in particular is coming back to haunt his present in ways he'd never expected.
