

Land of Sunshine, State of Dreams: A Social History of Modern Florida

Filesize: 1.85 MB

Reviews

Here is the finest publication we have read right up until now. It is actually written in easy words instead of difficult to understand. It has been written in a remarkably easy way in fact it is only right after I finished reading this book in which it basically changed me, modified the way I really believe.

(Prof. Vanessa Smith V)

LAND OF SUNSHINE, STATE OF DREAMS: A SOCIAL HISTORY OF MODERN FLORIDA

University Press of Florida, United States, 2008. Paperback. Book Condition: New. 239 x 163 mm. Language: English . Brand New Book ***** Print on Demand *****. This path-breaking book brilliantly explains the explosive growth of Florida from 2.7 million inhabitants in 1950 to 15.9 million in 2000. It focuses on the diverse people who migrated here; the developers of tourism, beaches, shopping malls, and gated communities; new technology (from air conditioning to the space age); and the impact of this growth and development upon the environment. --James B. Crooks, professor emeritus, University of North Florida This is the first comprehensive social history of Florida in any of its epochs. A brilliant compilation of data, it will be the standard against which all future such efforts in Florida will be measured. --Michael Gannon, professor emeritus, University of Florida Florida is a story of astonishing growth, a state swelling from 500,000 residents at the outset of the 20th century to some 16 million at the end. As recently as mid-century, on the eve of Pearl Harbor, Florida was the smallest state in the South. At the dawn of the millennium, it is the fourth largest in the country, a megastate that was among those introducing new words into the American vernacular: space coast, climate control, growth management, retirement community, theme park, edge cities, shopping mall, boom burbs, beach renourishment, Interstate, and Internet. Land of Sunshine, State of Dreams attempts to understand the firestorm of change that erupted into modern Florida by examining the great social, cultural, and economic forces driving its transformation. Gary Mormino ranges far and wide across the landscape and boundaries of a place that is at once America's southernmost state and the northernmost outpost of the Caribbean. From the capital, Tallahassee--a day's walk from the Georgia border--to Miami--a city distant but...
