Excerpt from Women in American History The First American women.-among the Indians, the first Americans their women held a lowly place. The Indian squaw was the servant of her husband and had no share in directing the affairs of the tribe. Yet in almost every colony there were Indian women who distinguished themselves by their shrewd ness, courage and loyal friendship for the white settlers and who often saved the colonists from destruction. Pocahontas in Virginia and Nancy Ward in Tennessee were two brave and faithful Indian women whose deeds have been told in this book.
