

Incan Anatomy of the Soul (Paperback)

Filesize: 8.01 MB

Reviews

This pdf is fantastic. Sure, it can be engage in, nevertheless an interesting and amazing literature. Its been developed in an remarkably straightforward way and is particularly merely after i finished reading through this publication where in fact transformed me, change the way in my opinion.

(Mr. Lee Simonis PhD)

INCAN ANATOMY OF THE SOUL (PAPERBACK)

Chakana Creations, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Upon entering the age of materialism, around 5000 years ago, knowledge about the anatomy of the soul became part of various esoteric traditions. It was therefore kept private among a few initiates. In the Himalayas it was knowledge passed down orally, from master to disciple, and recorded in texts like the Puranas or the Tantras. In ancient Egypt and Sumer, it was transmitted through various mystical schools. With the arrival of Islam, many of these schools became Sufi brotherhoods. In the West, because of the power associated with this knowledge, various secret societies were founded, keeping it only for a few initiates and primarily limited to the small group of their upper echelons. It was not until the end of the nineteenth century that such information began to transcend the circle of disciples, initiates and followers to become accessible to the remainder of the population. However, this was not the case in the Andes. As this book reveals, the Inca civilisation conveyed such knowledge openly. It was communicated in their myths and legends, in their urban planning, ceremonies and festivals, dances, symbols and emblems, and in the language. It was written for everyone to read because by definition in a culture without formal writing system there cannot be illiterate people.
