The publication is simple in go through preferable to fully grasp. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.

CALLED TO FREEDOM (PAPERBACK)

Wipf Stock Publishers, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book. Conservatism, Republican politics, and traditional Christianity are thought by some to go together like baseball and apple pie. Yet, for a growing number of people, libertarian political thought provides an alternative to the traditional Christian right. That number includes the six young authors of this book who explore and expound the case that one can be both a Christian and a libertarian. Called to Freedom explores the major points of tension between the Christian faith and political liberty to demonstrate why the two can coexist in harmony. Through their own personal experiences, and from six different perspectives, the authors offer both thoughtful arguments and encouragement to anyone navigating the space between Christianity and libertarianism. It is in that space that the authors have found a home, one that prioritizes the kingship of Jesus Christ and the inherent dignity of the people created in his image. If you are a Christian exploring libertarian thought, or if you feel caught between your Christian beliefs and libertarian political instincts, this book is written for you.
