## INSTRUCTIONAL ALTERNATIVES FOR EXCEPTIONAL CHILDREN (CLASSIC REPRINT) (PAPERBACK)

Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Excerpt from Instructional Alternatives for Exceptional Children There is an increasingly powerful movement in American education, of which recent court decisions are only one indicator, to hold the public schools of the nation responsible for providing quality education for all children, regardless of exceptionality. Consequently, for many exceptional children, the responsibility will be interpreted as education within the regular classroom. The public schools must become institutions that accept and foster human differences rather than delimiting or eliminating them. Schools and the personnel who staff them must act as facilitators to enable children to become what ever they are capable of becoming, not only without regard for race, sex, or economic status, but without regard for any exceptionality.
