Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: French . Brand New Book ***** Print on Demand *****. Le palais des Champs-Elysees, ou s est ouvert, pour la derniere fois, le Salon de la Societe des Artistes francais, est decidement condamne. Tandis que les artistes et les amateurs circulent encore, a l est, dans les galeries du premier etage et dans le jardin de la nef, autour des 3 263 peintures ou dessins, et des 907 sculptures ou medailles qui representent, pour ce seul Salon, la production exageree, a deux oeuvres par tete, de plus de deux mille artistes ou se croyant tels, du cote de l ouest resonnent, depuis quelque temps deja, les pics et les marteaux des demolisseurs qui s acharnent contre la resistance de la modeste, mais solide batisse. La disparition violente de cet honnete edifice, ou, depuis quarante ans, s est deroulee la vie des arts nationaux, ne semble justifiee, jusqu a present, par aucune raison economique ou esthetique. Sera-t-il bientot remplace par des constructions mieux comprises et mieux presentees, de dispositions plus agreables et d un amenagement plus facile pour toutes les manifestations du travail et de la curiosite qui, dans une ville comme Paris, doivent se succeder, de plus en plus nombreuses et variees, toujours a brefs intervalles ? C est ce que l avenir nous dira.
