AuthorHouse. Paperback. Condition: New. 128 pages. Dimensions: 8.0in. x 5.0in. x 0.3in. Hoping to gain some insight on the true significance of what we perceive as important, HEY YOU How about a Road Trip recounts the daily events of a crazy cross-country road trip undertaken by three college students. Armed with nothing more than a car, a tent, and a vulnerability ready to take on whatever curves fate decides to throw at them, the Three Roadsketeers separate themselves from their comfortable environments and, in doing so, learn how to gain a positive view on life, its ups and its downs. From almost getting killed by semis, to getting bombarded by mother nature, to getting free food from a religious cult in Tennessee and everything in between, intrigue is found at every turn. So, while there are no grand pan-galactic battles between alien civilizations or heroic efforts to save the world, HEY YOU portrays the wild experiences of three average Joes in an effort to inspire future road tripper experiences that, with a free-spirited view on life and a small amount of adventurous initiative, can be had by anybody willing enough. Realistic adventure awaits. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
