## Communication Sciences and Disorders (3rd Revised edition)

By Ronald B. Gillam, Thomas P. Marquardt

Jones and Bartlett Publishers, Inc. Paperback. Book Condition: new. BRAND NEW, Communication Sciences and Disorders (3rd Revised edition), Ronald B. Gillam, Thomas P. Marquardt, Communication Sciences and Disorders: From Science to Clinical Practice, Third Edition is an excellent introductory text for undergraduate students enrolled in their first course in communication sciences and disorders. Written by experts in the field, this text contains basic information about speech disorders that are related to impairments in articulation, voice, and fluency; language disorders in children and adults; and hearing disorders that cause conductive and sensorineural hearing losses. It includes basic information on the speech, language, and hearing sciences and practical information about assessment and intervention practices. Unlike some other introductory text books, this book also includes chapters on multicultural issues, deafness, dysarthria, and dysphagia. NEW TO THE THIRD EDITION \* Updated content with new information on evidence-based practice \* New online video segments that clearly demonstrate a variety of communication disorders at different ages and severities \* New chapter on cleft lip and palate \* New information on cochlear implants and listening \* New information on spoken language approaches to audiologic habilitation \* The two chapters on preschool and school-age language disorders are now...
