

I Saw Them Ride Away (Paperback)

By Harry Arthur Gant

Createspace, United States, 2009. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Harry Arthur Gant lived at the intersection of the Old West and the New West. He was a cowboy during the 1890s. He saw at first hand the hard work, the hard fun, and the occasional violence of that place and time. He knew cattle barons and horse thieves, con men and hustlers. As civilization spread through the Old West, he worked with the Wild West Shows that helped perpetuate the legends of that country. He was a guy who could get things done. When the first film makers came around, he soon became indispensable to them, and then followed them to the New West. With a new set of skills in the silent film era, he helped perpetuate the new form of legend that came out of Hollywood. He knew stars and extras, more con men and hustlers, movers and shakers. He tells his story with a distinctive mix of Old West plain speaking and New West sophistication, with the rough edges left on. This memoir spans two of the most fascinating parts of America s past.
