## STAR S END

Audible Studios on Brilliance, 2016. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. The Fortress on the edge of the galaxy was called Stars End, a planet built for death, but by who? It lay on the outermost arm of the Milky Way, silent, cloaked in mystery, self-contained and controlled, tantalizingly close to the harvesting Starfishers. If they could gain control of that arsenal, the Starfishers would never need to fear the Confederation s navy or the forces of the humanlike Sangaree. But intelligent life everywhere now needs the might of Stars End and the knowhow of agents Storm and BenRabi. For in the midst of the Sangaree wars, a far more sinister enemy approaches from the depths of the galaxy, in hordes as large as a solar system. And its mission is only to kill!.
