## The Beader's Bible: A Comprehensive Guide to Beading Techniques

By Dorothy Wood

David & Charles. Paperback. Book Condition: new. BRAND NEW, The Beader's Bible: A Comprehensive Guide to Beading Techniques, Dorothy Wood, This is an indispensable guide to beads and beading techniques, presenting essential beading know-how together with a wide range of inspirational projects, tips and ideas. Beads are the oldest and most widespread art form, having been used in virtually every culture since ancient times. Over the years new materials and methods of making beads have been introduced and now bead workers have a vast array of stunning beads to work with. Beading has also developed over the years and, even though many traditional techniques are still popular, the craft is constantly evolving. With so many techniques, and such a vast array of beads and materials available for the contemporary bead worker, there is definitely a need for a comprehensive guide. The Beader's Bible is just that - an encyclopaedia of beads and beading techniques that aims to educate and inspire anyone who loves working with beads. The Beader's Bible begins by looking at beads themselves; how to choose beads from metal, modelled, gemstone, seed beads and cylinder beads to hex beads, crystals, glass and bugle beads. There are handy tables...
