AUTHORHOUSE, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.In this latest dynamic text the author outlines the foundations of Academic Administration today. What is unique about this text is that it proceeds one step further by not just dwelling on the theory but focuses the majority of the text on the practical aspects of efficient academic administration for today. Social Justice Education is: academic administration in action, change management in practice, a powerful method to unite academic teams, and school campuses. This text presents studies in: anti-colonial and Indigenous studies, gender studies, class and poverty studies, diaspora, and transnational studies, the role of media, and communication, feminist, LGBTQ and disability studies, ethics in administration, and anti-racist and social class studies.
