Reviews

Great electronic book and valuable one. It really is simplistic but surprises within the fifty percent from the book. Its been printed in an extremely simple way in fact it is merely right after i finished reading this publication by which in fact modified me, change the way i really believe.

(Dr. Bethany Lindgren)

Bloomsbury Publishing PLC. Paperback. Book Condition: new. BRAND NEW, Family Britain, 1951-1957, David Kynaston, As in Austerity Britain, an astonishing array of vivid, intimate and unselfconscious voices drive this narrative. The keen-eyed Nella Last shops assiduously at Barrow Market as austerity and rationing gradually give way to relative abundance; housewife Judy Haines, relishing the detail of suburban life, brings up her children in Chingford; and, the self-absorbed civil servant Henry St John perfects the art of grumbling. These and many other voices give a rich, unsentimental picture of everyday life in the 1950s. We also encounter well-known figures on the way, such as Doris Lessing (joining and later leaving the Communist Party), John Arlott (sticking up on Any Questions? for the rights of homosexuals) and Tiger's Roy of the Rovers (making his goal-scoring debut for Melchester). All this is part of a colourful, unfolding tapestry, in which the great national events - the Tories returning to power, the death of George VI, the Coronation of Queen Elizabeth, the Suez Crisis - jostle alongside everything that gave Britain in the 1950s its distinctive flavour: Butlin's holiday camps, Kenwood food mixers, "Hancock's Half-Hour", Ekco television sets, Davy Crockett, skiffle and teddy boys. Deeply researched, David Kynaston's "Family Britain" offers an unrivalled take on a largely cohesive, ordered, still very hierarchical society gratefully starting to move away from the painful hardships of the 1940s towards domestic ease and affluence.
