

On the Food of Cities: Read Before the Medical Society of the State of New York, at Its Annual Meeting, February 1864 (Classic Reprint) (Paperback)

By Samuel R Percy

Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from On the Food of Cities: Read Before the Medical Society of the State of New York, at Its Annual Meeting, February 1864 Some few of the owners gave, in addition a. Little hay, and to some of the cows that they were preparing for the butcher a little meal or bran other owners gave nothing for days together but the swill, the refuse of grain after fermentation and distillation, that constantly stood in front of the cows. These stables had been occupied as such for many years, and an epidemic contagious disease-constantly existed amongst the animals, so that it seemed necessary to inoculate every fresh animal introduced, in hopes to save it from the disease.
