MODERN BOOKBINDINGS - THEIR DESIGN AND DECORATION

Read Books, United Kingdom, 2008. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.MODERN ENGLISH BINDING WITHIN the last five-and-twenty years there has been a marked revival in every department of applied art. The influence of William Morris, whose efforts in all the accessories of house decoration were for some time only recognized by the few, has now spread to all classes. No longer confined to the houses of the rich or of those who profess the cult of aesthetics, it is to be found with more or less of travesty in country rectories and suburban villas, catered for by the enterprising tradesman on the monthly hire system. To those who remember vividly the early Victorian surroundings of the home and their prevailing ugliness, the complete change which has taken place has hardly yet ceased to be a source of wonder. Nothing remains the same from wall-paper to coal-box, from bedroom to kitchen, all has suffered a sea change. In any examination of the present condition of the artistic crafts and the promise they present of future development on a sound basis, one cannot fail to observe that the effort to promote taste has penetrated to the commonest objects of daily use. The thought that finds expression in decoration has gone to salt-cellar and buttons as well as to carpets, cabinets and books. Some industries too, that may almost be said to have died out for lack of appreciation, have been revived on new lines and taken up by the public with enthusiastic approval. The use of enamel in jewellery and in combination with wrought metal may be mentioned as an instance of this, as well as the inlaying of cabinet work not only with coloured...
