

Meditations on the Twelve Holy Nights (Paperback)

By Kristina Kaine

Createspace Independent Publishing Platform, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. The Holy Days and Nights is the period between Christmas Eve, which celebrates the birth of Jesus (described by Luke) and January 6th which is called Epiphany, which celebrates the baptism of Jesus in the Jordan by John the Baptist. This period is like the germinating seed in the depths of the earth which will sprout and finally bloom at the Resurrection of the Christ-ened Jesus after the crucifixion. During these days and nights we have the opportunity to reach a new level of understanding of this, the most profound mystery known to man, and indeed in the whole universe. This book contains short contemplations written between 2011-12 and 2015-16 during the Holy Days and Nights. These contemplations are based on indications given by Rudolf Steiner to Herbert Hahn for the twelve Holy Nights - twelve because that ties them to the twelve months of the year.
