Christian Faith Publishing, Inc., 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. During a time when young men have a hard time grasping what it means to sacrifice and take care of the family and young ladies have forgotten the art of what it means to take care of a household, raising children, and instilling morals and values in them . . . The Seven Son and Seven Daughters is a heartwarming tribute that gives the depiction of a strong black woman who loved hard and allowed it to show in her everyday life. It is an epic tale of struggles of an ex-alcoholic father, who--through the grace of God--was able to lay down the bottle and pick up salvation and a new determination on life. It is the story of strength, adversity, spirituality, and growth, laced with the pain and tragedy of death and life after death. The Seven Son and Seven Daughters is a gentle reminder of the days when blacks had little to no rights, with little to no resources to do much to better self and how a little Mississippi family found the strength to overcome every obstacle that was placed before them. In a day and age where technology has taken over the world, where children would rather stay in the house and play video games than to play in the park or play a good game of tag or freeze football. During an era where little girls don't see the joy in playing with Barbie's or playing dress up, in their mother's old clothes.
