Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Mississippi Law Journal, Vol. 12: October, 1939 Table II shows the disposition of the cases upon appeal and the Justice who wrote the opinion. Table III is a topical analysis Of the cases, by reference to the Justice writing the opinion. It should be borne in mind while consulting this table that the topic under which a case has been entered is not necessarily the only point involved or decided in the case, but it was necessary in many cases to draw an arbitrary line for the sake of tabulation. Table IV shows the dissents and special concurrences. It is interesting to note that there were approximately five times more dissenting opinions for the last two terms of court than there were for the September 1937, and the March 1938, terms. These tables are published here only with the hope that it may be of interest to the bar and bench of the state.
