Insights Publishing Company, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Learn how therapy can help you create the life you desire. Ready to Talk: A Companion Guide to Psychotherapy is a hands-on guide for anyone currently engaged in psychotherapy or considering it for the first time. It is also well-suited for those who've tried psychotherapy in the past but were dissatisfied with results. As an experienced psychotherapist, author Mary Sanger has often heard questions such as, How does therapy work? and How long will I need to be in therapy? Of course, the answers are different for everyone but Sanger recognized in her own practice that her clients could not only enhance but also expedite their therapy if they had ongoing access to some basic, pragmatic information about how the therapeutic process works. In straightforward language and an easy-to-read format, Sanger explains how one's past may inform one's present, but that it doesn't have to rule it. Essentially, each of us is the author of our own story. Ready to Talk helps you get the most out of therapy as quickly as possible. In Ready to Talk,...
