

## Air and the School House (Classic Reprint) (Paperback)

By Prof S H Woodbridge

Forgotten Books, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Excerpt from Air and the School House The subject of this study is a single phase of school hygiene. As a first and indisputable premise on which to base the study, it is proposed to assert the human right to health, and to whatever health is properly contributory; that health is the asset of highest value, either possessable or usable, and that to be robbed of any measure of it is to suffer a predatory loss of a boon inalienable and priceless. As a second and hardly less debatable premise, it is further proposed to assert that the school is the appropriate place for the wisest, the fullest and the insistent practice of hygiene, and also the most effective field for illustrating and for teaching the principles and practice of that beneficent science. I. Considered in its largest sense the inherent, constitutional, and therefore the inalienable, right of the human race is to life, health and happiness. The desperate tenacity with which man holds to life, and to his right to it, is a matter of common knowledge and experience. Life...
