Another Naughty Nico Book for Kids Early Beginning Readers Books For Kids 4-10 The Adventures of Naughty Nico books are books kids written with the early reader in mind. Some children learn to read at a very early age and other take a little longer. These books are meant for first or second grade level children early readers; however, some children at this age may find it easy to read while others may need a little help. In any case, these short story children books have action and adventure for kids and are meant to keep the readers attention. Testing has found that even children as old as 15 like to read them and YOU will have fun reading them to your children or grandchildren that can not read because they are great children picture books too. Action on the Roof The action adventure Naughty Nico books continue when Nico and his friends, a group of 8 year olds called The Eagle Street Gang, get themselves into trouble again. This time its an adventure to help his next door neighbor Sophie and her mother fix the TV satellite dish on the roof of their house. Nico gets his dad in on the adventure and it all ends happily, as long as his dad doesnt move. Youll have to read the book to see what I mean. Your kids will love to read it or hear you read it to them. Please enjoy! More Childrens Books for Early Readers Check out my author page for more Naughty Nico and other childrens books.
