Roaring Brook Press, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book. In 2010, Lucy and her long term boyfriend John broke up. Three long, lonely years later, John returned to New York, walked into Lucy s apartment, and proposed. This is not that story. It is the story of what came after: The Wedding. DIY maven Lucy Kinsley was fascinated by American wedding culture .but also sort of horrified by it. So she set out to plan and execute the adorable DIY wedding to end all adorable DIY weddings. And she succeeded. This graphic novel clocking in at almost 300 pages of humour, despair, and eternal love is the story of how Lucy built a barn, invented a whole new kind of photo booth, and managed to turn an outdoor wedding on a rainy day into a joyous (though muddy) triumph.
