Complete guide! Its such a great study. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.

Excerpt: .Is he out of danger even while under his mother s care? Will she guard him from Satan and sin? Will she pray for him to God, as she entreats the doctor to do all to save him for her? Will she, perhaps, poison his soul or lead him in unhealthy ways, where his spiritual life is sure to sicken and fade? And, when he grows up, what foes must he face, what infection of sin must he come near. If a child die, he is safe: he goes where no harm can reach him. If he lives, who can tell but that he lives to die for ever? He is out of danger if he dies. If he recovers, he is in danger, and is not safe till he has died well. Look again at that man who on his sick bed has been brought low in spirit, and has learned of his sin and his Saviour. He prays now. He is full of shame for past neglect. He sees how he should have lived. He knows how God claims his love. With all his will he tries to lay hold on the grace of God and go to his Father and seek life. Is he out of danger when the disease yields, and he rises from his bed, and turns his back on the grave and his face to the world? Do not those who watch for his soul tremble for him...
