Getpro Books, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. During the period it was part of Google, SketchUp evolved in the direction of integration with Google s own applications and services, such as Google Maps, Google Earth and Street View. It is only natural that Trimble intended to turn SketchUp into an increasingly professional solution for creation and development for the AEC industry. This little book is just about this new features; Trimble introduced the 2013 and 2014 versions within a very small time interval (an unusual strategy in the software industry), and our SketchUp Pro 2013 Step by Step book had just been released.
