### **Reviews**

*It is not difficult in go through easier to understand. It normally fails to price too much. I am very happy to inform you that this is actually the greatest ebook i actually have read through within my personal lifestyle and can be he best publication for ever.  
(Miss Ebony Brakus IV)*

## I STILL DREAM (PAPERBACK)

HarperCollins Publishers, United Kingdom, 2018. Paperback. Condition: New. Language: English . Brand New Book. A strikingly intelligent book about intelligence itself - Sarah Perry, author of *The Essex Serpent* 1997. 17-year-old Laura Bow has invented a rudimentary artificial intelligence, and named it Organon. At first it s intended to be a sounding-board for her teenage frustrations, a surrogate best friend; but as she grows older, Organon grows with her. As the world becomes a very different place, technology changes the way we live, love and die; massive corporations develop rival intelligences to Laura s, ones without safety barriers or morals; and Laura is forced to decide whether to share her creation with the world. If it falls into the wrong hands, she knows, its power could be abused. But what if Organon is the only thing that can stop humanity from hurting itself irreparably? *I STILL DREAM* is a powerful tale of love, loss and hope; a frightening, heartbreakingly human look at who we are now - and who we can be, if we only allow ourselves.
