

The Complete Root Cellar Book: Building Plans, Uses and 100 Recipes (Paperback)

By Steve Maxwell, Jennifer MacKenzie

ROBERT ROSE INC, Canada, 2010. Paperback. Condition: New. Language: English . Brand New Book. Nature s way of storing fruits, vegetables and preserves. Whether as a way to manage challenging economic times or retain a garden s bounty, root cellars are making a big comeback. This book takes a fresh look at the art, science and romance of building and stocking a root cellar. There are detailed illustrated construction guides for making four different kinds of root cellars that are functional and attractive. These include never-before-seen models for apartment and flat dwellers and home owners without a basement. The Root Cellar Book provides technical information on using photovoltaics (solar cells) and other energy technologies to enhance a root cellar s performance and ecological sustainability. It also includes must-know information on how to choose, store and manage a supply of fruits, vegetables, nuts and preserves. The book features 100 recipes that call for stored produce, many of which also make use of the root cellar s specific environment, such as sauerkraut and barrel-fermented dill pickles. These classic dishes, many with new twists, include: Classic leek and potato soup, Golden puffed potato puddings, Maple pecan crumble apple pie, Root cellars are the...
