## THE IMPROPER LIFE OF BEZELLIA GROVE (PAPERBACK)

Random House USA Inc, United States, 2011. Paperback. Condition: New. Language: English . Brand New Book. Nobody in Nashville has a bigger name to live up to than Bezellia Grove. As a Grove, she belongs to one of city s most prominent families and is expected to embrace her position in high society. That means speaking fluent French, dancing at cotillions with boys from other important families, and mastering the art of the perfect smile. Also looming large is her given name Bezellia, which has been passed down for generations to the first daughter born to the eldest Grove. To Bezellia, Maizelle and Nathaniel are cherished family members. To her parents, they will never be more than servants. Relationships are complicated in 1960s Nashville, where society remains neatly ordered by class, status and skin color. Black servants aren t supposed to eat at the same table as their white employers. Black boys aren t supposed to make conversation with white girls. And they certainly aren t supposed to fall in love. When Bezellia has a clandestine affair with Nathaniel s son, Samuel, their romance is met with anger and fear from both families. In a time and place where rebelling against the rules...
