Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from The Oracle of Yahveh: Urim and Thummim, the Ephod, the Breastplate of Judgment Though the oracle by the Urim and Thummim played an important part in the ancient history of the people of Israel, its practice fell gradually into disuse. It was first abandoned, presumably as a relic of paganism, and its methods were absolutely forgotten during the Exile, while in the post-exilic age the loss of it was deeply deplored. Josephus says that two hundred years before his time the Urim and Thummim had ceased to light up, but his statement is based on the very lowest margin, for they are no longer mentioned as being consulted after Solomon's reign. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
