

Theory and Practice of Counseling and Psychotherapy (International ed of 9th revised ed)

By Gerald Corey

Cengage Learning, Inc. Paperback. Condition: new. BRAND NEW, Theory and Practice of Counseling and Psychotherapy (International ed of 9th revised ed), Gerald Corey, Incorporating the thinking, feeling, and behaving dimensions of human experience, Corey's best-selling "Theory and Practice of Counseling and Psychotherapy, 9/e, International Edition" offers an easy-to-understand text that helps students compare and contrast the therapeutic models expressed in counseling theories. Corey introduces students to the major theories (psychoanalytic, Adlerian, existential, person-centered, Gestalt, reality, behavior, cognitive-behavior, family systems, feminist, and postmodern approaches) and demonstrates how each theory can be applied to a single case ("Stan"). With his trademark style, he shows students how to apply those theories in practice, and helps them learn to integrate the theories into an individualized counseling style. This book is the center of a suite of products that includes a revised student manual, "Case Approach to Counseling and Psychotherapy" (2013), "The Art of Integrative Counseling" (2013) and media resources like the DVDs titled "DVD for Theory and Practice of Counseling and Psychotherapy: The Case of Stan and Lecturettes", and "DVD for Integrative Counseling: The Case of Ruth and Lecturettes", which features the same videos as the Integrative Counseling CD-ROM redesigned for today's classrooms.
