

Worldly Weights Holding Me Back No More (Paperback)

By Valerie Cheers-Brown

AUTHORHOUSE, United States, 2006. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Realization of how much your childhood and the patterns you learned from affect your adult life. Families are the blueprints for how we build our lives. Mothers, fathers, grandparents and elders are the architects that shape us. I also, call out for men to love their children, be fathers, but do not be afraid to also be a friend. It is no secret that many of our children are angry. They are angry with parents, educators, ministers and the community at large for failing to give them what they need emotionally, culturally, spiritually, economically, socially and psychologically to survive and succeed in America. Yes, I know our ancestors did the very best they knew how. The violent forms of child sexual abuse that make headlines are not the only ones that leave lifelong scars. A child who grows up in an unstable environment where empathy, clear boundaries, and trust are lacking, can end up living a ravaged adulthood. Children can be crippled by mixed messages and family secrets. Many victims of these practices are not even sure their childhood was abusive. When parents...
