By David Jacks, Daniel Morrow

Createspace, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.After breaking her leg playing in a school ice hockey match Iris is dismayed to be fitted with a cast on her leg just before the summer holidays. After learning her father has hired a nanny to watch her whilst he is at work, Iris resigns herself to a long, boring summer. However, she discovers an old telescope on top of her wardrobe and fills her days watching the neighbourhood in her sleepy coastal village going about their daily routine. Her best friend Vince provides some company as he frequently calls to update her on what s happening out in the real world. Then one night whilst she is looking at the woods at the bottom of her garden she notices a pair of huge green eyes staring back at her. The following day Iris hears from the police that the neighbourhood pets are disappearing. Even her nanny s pet dog has gone missing. Iris decides to investigate the mysterious happenings around her home and enlists the help of Vince to be her sidekick. Is there a huge and scary beast in Pelican...
