Tom Grogan is a novel published in 1896 by Francis Hopkinson Smith that was the best selling book in the United States in 1896. The novel also ran in the The Century Magazine starting in December 1895, with illustrations from Charles Stanley Reinhart. Tom Grogan, by F. Hopkinson Smith (1895. ) is a spirited and most entertaining and ingenious study of laboring life in Staten Island, New York. Tom Grogan was a stevedore, who died from the effects of an injury. With a family to support, his widow conceals the fact of her husbands death, saying that he is sick in a hospital, that she may assume both his name and business. She is thenceforth known to every one as Tom Grogan. A sturdy, cheery, capable Irishwomen, she carries on the business with an increasing success, which arouses the jealous opposition of some rival stevedores and walking delegates of the labor union she has refused to join. This item ships from La Vergne, TN. Paperback.
