DAW BOOKS, United States, 2009. Paperback. Condition: New. Reprint. Language: English . Brand New Book. The breathtaking first novel in a brilliant new fantasy series A masterwork of fantasy, The Nessantico Cycle is the epic tale of an empire at its height, yet poised on the brink of what could be a devastating descent into ruin. Told from the viewpoints of numerous characters, it is a sweeping saga of murder and magic (portrayed both as a powerful religion and a forbidden art), of deception and betrayal, of Machiavellian politics, star-crossed lovers, and a realm facing war on every front.
