### Reviews

*This is the finest publication we have read through right up until now. Better then never, though i am quite late in start reading this one. Its been written in an remarkably easy way in fact it is only after i finished reading through this book by which basically altered me, affect the way i think.*

On Demand Publishing, LLC>Create Space, 2015. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Peace operations (PO) are crisis response and limited contingency operations, including international efforts and military missions containing conflict, redressing the peace, and shaping the environment supporting reconciliation, rebuilding, and facilitating the transition to effective governance. PO includes peacekeeping operations, peace building, post conflict actions, peacemaking processes, conflict prevention, and military peace enforcement operations. Chapter I describes 5 PO categories and 15 joint fundamentals of PO. The chapter discusses transition planning for PO missions, and other PO categories for relieving forces, and civilian agencies. Chapter II sets the conditions for successful nonmilitary peace building activities. It provides design and planning factors commanders and staffs must consider when undertaking PO. It highlights factors that account for capability differences between United States (US) forces, multinational forces, and civilian agencies. Chapter III describes tactical-level tasks for PO forces. This includes six types of patrols, mobile or fixed observation techniques, and movement control with roadblocks and checkpoints. It provides techniques for vehicle, personnel, and urban searches. In addition, the chapter presents techniques for controlling civil disturbances and handling refugees or displaced persons. Chapter IV focuses on methods for controlling large areas and separating opposing forces, including but not limited to, interposition, establishing areas of separation, buffer zones, border control, and demilitarized zones. Chapter V provides checklists and basic considerations for force protection. This includes threat assessment, force protection condition procedures, and potential terrorist tactics. The chapter focuses on tactics, techniques, and procedures (TTP) for intelligence usage, preventive or reactive medicine, and military information support operations (MISO). Chapter VI lists the principles of civil-military operations and the aspects of governance associated with PO. It provides TTP integrating civilian and military activities for...
